Dear Oskar,

About 3 or 4 weeks ago I wrote you % "Neustadt". Ray told me yesterday that you were not living there anymore, and as I had not heard from you I began to wonder if you had received my letter. Then too, I wonder if you had received the cheque I sent you in the winter. If you did this is quite unnecessary. However in my letter I sent a list of music which I hope you can get for me. And so I will repeat it here -

But first, how about the Hindemith Kammermusik I am playing with the Winnipeg Orch and I would like to be able to suggest it to them. Also, your variations! Why haven't you sent them. Please do and soon. I may be able to use them on the C-B-C. Ray also wants you to send him a copy.

- Now, as to the other things; they were
- Piano Concertos NO. 2 and 3 (?) - Krenek
 - Concerto for Nine Instruments - Webern
 - Chamber Symphony of 9 - Schönberg
 - String Quartet NO. 2 - "
 - Songs op. 4 and op. 23 - Webern

I don't believe I asked for the Schonberg Quartet before but please get it also -

We hope to do a program of Viennese music in Toronto next year and I want these things as soon as possible - The Prenek's though, are perhaps not published -

Have ~~not~~ now learned the Schonberg Suite and Webern Var. of those you sent me - Both are great works - the Schonberg particularly so -

Did you know that Leo Smith was dead. Also Mrs. Wray - Both died of cancer. And Paul Scherman is now recovering from a coronary - This ends the ~~casualty~~ casualty list -

Well, Oskar, I hope that I am not inconveniencing you too much but when I heard that you had moved I naturally was afraid that you hadn't get my letter. If you didn't get my cheques ^{for the other} please let me know -

I will hope to hear from you soon -
Sincerely,
Glenn
